DOOM WATCH: Chinese craft could kill thousands

DEATH FROM THE SKIES!

Sunday Sport EXCLUSIVE

'Thousands may perish' as Chinese space station smashes into Earth

A GIGANTIC out-of-control Chinese space station is set to crash into the Earth at five times the speed of sound at 2pm today – in a massive fireball shower that could kill THOUSANDS!

Boffins will not know exactly where the eight-ton Tiangong-1 spacecraft will land until the last minute – potentially giving emergency services just HOURS to evacuate populated areas.

So far scientists can only say the satellite will land somewhere in a wide belt around our planet 43 degrees north and south of the equator.

Vapourised

Major cities including New York, Rome, Cairo, Mumbai, Hong Kong and Beijing fall in this band.

Some 5.2BILLION people are potentially in the firing line.

The craft is expected to break up when it enters the Earth's atmosphere, showering a wide area with blazing debris.

Anyone hit by wreckage would be vapourised INSTANTLY.

By SIMON DEAN
simon@sundaysport.co.uk

What's more, the spaceship is carrying a deadly rocket booster chemical called Hydrazine.

The highly corrosive and toxic compound causes seizures, coma and DEATH. Even exposure to a tiny amount can cause cancer.

Last week it emerged that China has lost all communication with the module and panic began to set in as the world realised the descent will be uncontrolled.

Brave-faced experts have tried to talk down the peril.

Richard Crowther, the UK Space Agency's chief engineer said: "The majority of the module can be expected to burn up during re-entry heating, with the probability being that any surviving fragments will fall into the sea."

Head of Space Debris for the European Space Agency, Holger Krag, said: "A confidence of one hour is only reached about four hours beforehand. That still means almost one revolution of the Earth.

"But that's good enough to exclude many countries and even some continents."

DRY FOR A BIT!

IT will be a drier day for many today but wintry showers across the far north of Scotland will spoil things there.

Rain will be spreading northwards from south-west England later on.

Temperatures of 7C in London, 6C in Cardiff, 5C in Manchester, 6C in Belfast and 7C in Edinburgh.

Monday sees bucketloads of rain in most areas, with even a spot of Spring snow for Scotland.

Temperatures of 10C in London, 8C in Cardiff, 4C in Manchester, 5C in Belfast and 2C Edinburgh.

OUTLOOK: Mild and wet.

Man-eating fish found in Sussex sewers

WATER bosses have appealed for calm after a man-eating PIRANHA was found at a sewage works in West Sussex.

The prospect of shoals of deadly fish swimming around the sewers of Chichester – where the South American death fish was found – caused widespread alarm.

Some were even worried that the red-bellied carnivores may even leap out of toilets and eat people from the ARSE UP as they sat having a plop.

But Southern Water experts have reassured customers that toilets are safe to use.

A spokesperson for the firm said: "Voracious South American aquatic predators are a very rare occurrence in our waste water system and we would like to reassure our customers that it is safe to use their toilets as normal.

"Although not specifically designed to catch piranhas, waste treatment works do screen out large items and water is not returned to nature until it is safe.

"Finding this at our works does underline two important points: Only three Ps should go down your loo – pee, poo and paper. Not piranhas, wet wipes or other 'Unflushables' which cause sewer blockages."

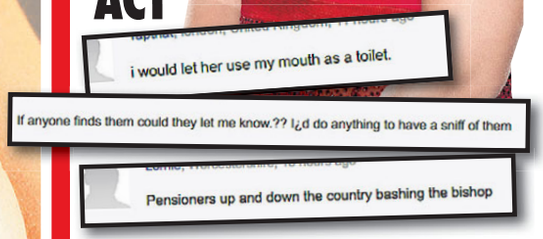
Countdown Rachel's plop sex hell

FILTHY FANS BEG FOR VILE ACT

GREAT SENSE OF HUMOUR: Rachel on the show (*above*)



i would let her use my mouth as a toilet.
If anyone finds them could they let me know.?? I¿d do anything to have a sniff of them
Pensioners up and down the country bashing the bishop

FANS of quiz show *Countdown* were left PANTING after stunning Rachel Riley rearranged letters on the board to read 'NO PANTIES'.

The blonde was seen smirking after spelling the word "panties" on the board during the letters round of the game – leaving the letters 'N' and 'O' in the row above.

Ever-the-professional, Rachel appeared to take it in her stride, giving a wry smile as she stood next to the board.

Viewers of the top Channel 4 show took to Twitter to comment on the moment, with one posting: "The best episode of #countdown ever," and another calling Rachel a "naughty minx".

But not everyone was so restrained.

One over-excited letch, identified only as Tapthat from London, slavered: "I would let her use my mouth as a toilet."

Fortunately, Tapthat does not specify if he wants Rachel to do a plop in his mouth or merely to unleash a golden trickle of tinkle down his throat.

Meanwhile, another user expressed a desire to sniff Rachel's panties.

Last night a friend of the star said: "Rachel has a wicked sense of humour and is used to cheeky suggestions.

"But the idea of her doing a plop in a fan's mouth as part of some sex game? That's a new one – and verging on the unacceptable."

BUNNY ARMED ROBBER TAUNTS COPS WITH TOPLESS PIC

BUGGING POLICE: Mystery armed robber has nice tits

Nicknamed 'The White Rabbit', ruthless villain has stolen £200 worth of carrots since Christmas

IT must count as the most bizarre crime spree ever...

Cops are hunting a female armed robber who has so far this year held up 14 greengrocers and pinched over £200-worth of carrots – disguised as a rabbit!

Now the robber had taunted police by sending them a picture of her brandishing the gun used in the raid – and with her teats out!

By SIMON DEAN
simon@sundaysport.co.uk

The firearm-toting felon has been nicknamed The White Rabbit by cops, who admit they are baffled.

Specialist

The case is being run by the National Crime Squad backed by specialist firearms units.

A police source close to the investigation told *Sunday Sport*: "In recent years, robbers have chosen easier targets, like shops, but greengrocers are a new one. And stealing carrots at gunpoint? Why? You get four years minimum for armed robbery. Why risk it?"

The source added: "As for the topless picture? What's that all about? All I can say is that we're looking for a woman in her 20s, wearing a f**king big rabbit's head and very nice, firm, pert breasts.

"We can't go on *Crimewatch* with that, can we? Do they still do *Crimewatch*?"

The first attack was on a greengrocer in Oldham three days after the Christmas holidays and the most recent was in Plymouth last week.

The source said: "I can only surmise this is some sort of 'performance art', but this young lady should be warned, if she's caught by armed cops she could end up shot – nice tits or not."

HAS CORRIE GONE TOO FAR THIS TIME?

ARE *Corrie* bosses obsessed with bumming?

We only ask because just days after David Platt got his ringpiece rudely violated, it looks like Roy Cropper and Lewis Archer are at it!

Roy, played by David Neilson, is bickering with the posh conman on the Street as he returns in his luxury motor.

The mild-mannered cafe owner leans in and grabs his car keys and Lewis, played by, Nigel Havers, is forced to get out and scrap.

A *Corrie* source said: "Don't worry, it's not bumming. It's just a bit of a wrestle."

Jess loves a spot of nakedness

ZERO Dark Thirty beauty Jessica Chastain has revealed she LOVES willies and MINGES!

The 41-year-old (*above*) said: "I love the human form – male nudity, female nudity, I'm all about it."

Jess said that while she has no issues with on-screen nudity she *is* "bothered" by how it's used in Hollywood.

She said: "I have no issues with nudity, especially in a lot of European cinema, but in American cinema, the idea of nudity has always bothered me.

"I realised why: For me, I'm uncomfortable with nudity when it feels like it's not the person's decision to be naked, when it's been put upon them.

Jessica stripped for her role in the 2013 flick *Salome*.

She said she was never asked to do the nude dancing scene but added: "It was important for the character that there was nudity."

MILFs having best orgasms

GOOD news for MILFs – women over the age of 36 have the best orgasms, according to a new study.

The research by Natural Cycles, the world's first app to be certified as a contraception, surveyed 2,600 women to come up with the shock finding.

They divided them into groups – younger (below 23), middle (23-36) and older (36 and over) – and they found that orgasms, attractiveness and most enjoyable sex improved in the older group, mainly due to confidence, according to boffins.

The older women scored 10 per cent higher than the mid age group.

The youngest age group scored the lowest when asked about how often they orgasm.

Over half the women in the older age group (58 per cent) said they had the most enjoyable orgasms.

BOILED MY BABY KITTENS ALIVE

More woe for underfire web giants

DEAD: Tinker and Belle fell into pan of hot water

DISTRACTED: Susan blames social media giant for loss

SOCIAL media giant Facebook was last night accused of directly causing the deaths of two cute KITTENS.

Tinker and Belle were boiled alive while owner Susan Pierce was distracted, checking 'likes' on her Facebook page.

And now heartbroken Susan is personally blaming Facebook boss Mark Zuckerberg for the baby cats' grisly demise.

The 37-year-old single accounts manager from Luton, Beds, told *Sunday Sport*: "Yes, Zuckerberg does have questions to answer about the underhand harvesting of Facebook users' personal data.

"But he should also be forced to look me in the eye and tell me why he killed my poor kittens!"

The tragedy unfolded when Susan was making bangers and mash for her tea on Wednesday evening.

She continued: "I'd made such a good job of peeling the potatoes that I took a pic and put it on Facebook.

"Then I put the water on to boil and went off to check which of my friends had liked the photo.

"I must have got distracted though, because by the time I got back to the kitchen there was a funny smell.

"I looked in the pan and there were Tinker and Belle, bubbling away!

"If I had not been on Facebook, I would not have been distracted and those poor kittens would not have fallen into the pan.

"In a very real sense, Facebook killed my kittens."

The kittens' death is the latest blow to Facebook which saw its share price plunge after revelations that personal data harvested from the site may have been misused by the Cambridge Analytica.

Co-founder Mark Zuckerberg has apologised to users, but has refused to appear before the House of Commons committee investigating the matter.

THE HAPPY FACE OF AUSSIE CRICKET

BOWLED OVER: Mel and Dottie cheer Oz fans up

YOU could be excused for tampering with your balls when faced by the bouncers fielded by THIS pair of maidens!

The genteel world of cricket was rocked last week when it emerged the Australian team had deliberately tampered with balls during a match against South Africa.

Now Aussie captain Steve Smith and vice-skipper David Warner have been banned for a year for ball-tampering.

Cameron Bancroft, who did the cheating in South Africa, was given a nine-month ban by Cricket Australia.

But the scandal did not dampen pretty Australia fans' Mel Booth and Dottie Haskins' love for the sport.

They told *Sunday Sport*: "Aussie cricket fans are a bit downcast over the scandal right now.

"But hopefully our flash will cheer them up!"

THE VOICE OF YOUR BRITAIN

No fooling the reader on April 1

YOU may have looked for an "April Fool" story in today's newspaper, with it being the first of the month, and all.

We're afraid, dear reader, that you will hunt in vain.

For years, it has been a tradition for papers to print a made-up story in an attempt to gull readers on April 1.

Harmless fun...

OR IS IT?!

As events over recent weeks and months have shown us, fake news is no joke.

The curse of fake news is such that we can hardly believe a word we read.

These fictitious reports and slanted accounts are used by the enemies of democracy from across the political spectrum.

And it is not too far a leap from "joke news" to "fake news".

That has prompted Sunday Sport to take a long, hard look at the tradition of the April Fool story.

And we have concluded that there is no place for it in the modern newspaper.

Our lightweight, flippant, rivals on Fleet Street might continue with their silliness. That is their right in a democracy.

But rest assured that every column inch in your Sunday Sport is filled with true news and cold, hard fact.

When truth is under attack by the shadowy forces of the far-left and the far-right, Sunday Sport stands for probity, integrity and honesty.

The news is sacred and it is not our place to compromise that sanctity.

And that's no joke!

Tosser thought it was a fare excuse

A MAN who was caught furiously masturbating on a bus told a court that he had taken an overdose of Viagra and was merely trying to wank away his raging stiffy.

NOW THAT'S A VLAD SIGHT: Elliot is getting more and more like evil Russian dictator Putin

OH BABY, WE'RE SO SCARED: Rosie and Nathan fear Elliot may harm them

LITTLE Elliot Prendergast was born in January 2017, perfect in every way – to the delight of mum and dad Rosie and Nathan.

But as the tot grew towards toddlerhood, a sinister development took shape.

For the precocious nipper – it's now clear to all who look at him – is the spitting image of evil Russian dictator Vladimir Putin!

What's more, the impish youngster is starting to display some of his Kremlin leader lookalike's less-lovely characteristics.

And after an incident in which Elliot ANNEXED the sandpit at his playgroup, Rosie and Nathan have been told to keep their boy away.

At her wits' end, 26-year-old Rosie, of Wrexham, north Wales, said last night: "When Elliot came along, we were overjoyed.

"But as he grew, I started to notice that people were giving him funny looks.

"Then my Great Aunt Winnie, who always speaks her mind, said 'Oooh, he looks like that Vladimir Putin off of the telly. The devil's in that child, believe you me'.

By SIMON DEAN
simon@sundaysport.co.uk

"Naturally, we were shocked. But Winnie was right. He's the spit of Putin."

There is no suggestion that the Russian leader secretly impregnated Rosie, who insists she has been "almost 100%" faithful to Nathan since they wed in May 2015.

The child's forcible takeover of the sandpit perfectly mirrors Putin's annexation of the Crimea and aggression towards the Ukraine.

Now Rosie and Nathan are worried he may display some of the Kremlin strongman's other wicked traits.

Nathan said: "I'm not saying that Elliot might poison us with nerve agent or throw us from an upstairs window for criticising him.

"But you never know. We love the lad to bits, but his likeness to the world's number one bad guy is so unsettling."

Last night, a source at the Russian Embassy called Rosie and Nathan's serious concerns "western propaganda" and warned them to be careful.

The source said: "Dangerous place, Wrexham. Accidents happen. People get hurt. It would be safer to stay quiet."

EXPERIENCED: Sexy MILFs are making a lot of money – and having a lot of fun – thanks to webcam sex

KELLY HOBART, 40, FROM IPSWICH

'There's a sticky mess from all of us after one of

"I SPENT years working as a cleaner while I put the kids through school, but a minimum wage will only get you so far.

"Then one night I was watching a documentary on telly about women who had turned to the world of webcamming to earn extra money.

"Listening to them explain how much they pulled in, for less than half the hours that I was doing, made me sit up and take note.

"So over the next few weeks, I did my research on webcam work and quickly learned how to set myself up online.

"I didn't quit cleaning when I first started out, as I was worried that because of my age I wouldn't have many fans logging on to watch me.

"But that couldn't have been further from the truth.

"I've been inundated with punters keen to watch a good-looking MILF play with herself and talk dirty to them.

"And the amazing thing is, most of them are younger lads.

"I'd say students are my biggest fans – they can't get enough of my sexy stripteases and naughty play on cam.

"The fantasy of having sex with an older, more experienced woman is still going strong amongst students and they can't get enough of my shows.

"Whether it's because younger women aren't as filthy when it comes to sex, or aren't as sure of themselves, I don't know.

"But I do know that younger men are always online and desperate to catch me in the act.

"After two weeks I realised I loved getting myself off for these young, fit fellas and I quit my cleaning job to work on the webcam full-time.

"Now I work around 30 hours a week and my busiest time is in the afternoons – that's the time when students have woken up from the night before or got home from their university lectures.

"I've got one student lad who loves me dressing up as a teacher and pretending to teach an online lesson in just my panties – it's his ultimate fantasy.

"After I've shown him my pussy and had a quick flick of my clit, he always has the same request.

Stiff

"He bends over in front of his own camera and makes me pretend to spank him – he goes wild for it!

"He absolutely loves it and after five quick 'slaps' he always orgasms hard and makes a mess.

"Plus, he pays £10 per minute for the privilege, so who am I to judge?!

"I really love this job, and it's given me a huge boost of confidence.

"Dressing up in lacy underwear and seeing the effect I have on blokes half my age is a turn-on.

"I often hold group shows for up to 50 blokes who all watch a private screening. They're my favourite type of work.

"All these fit hunks sign in and watch me as I slowly strip and then spread my legs to play with myself.

"It really turns me on seeing all these stiff cocks – I don't ever need to pretend I'm enjoying it because I genuinely do!

MILFS X-RATED AND

THE internet has opened up a MILLION opportunities in the world of sex.

From online dating and sex toy shopping to amateur porn and dogging hotspots – a computer and a connection to the web is all you need to access a vast world of XXX action.

And one field that has really taken off is the interactive webcam SEX SHOW.

Once upon a time, if you wanted to see a live sex show you had to travel to Amsterdam or Bangkok.

Now, thanks to space-age technology, you can watch a live sex show on your laptop in the comfort and privacy of your own front room.

Kinky

What's more, you can interact and ask the performer to lay on any kinky act you can imagine.

Using webcams, women strip off and perform solo sex acts for paying punters watching back at home on their computer screens.

Viewers can even send naughty requests – such as asking the webcam girl to use a particular fruit on a specific orifice.

By BECCA STUBBS
becca@sundaysport.co.uk

Customers pay online to access their favourite webcam girls' performances.

All ages pay to watch these intimate sex shows but statistics show the majority of webcam sex site users are under 40, with a spike in the 18-24 age group.

And figures, compiled by adult internet industry bosses, have found that younger men LOVE older women – so-called 'MILFs'.

Phenomenon

Dr John Harrison, deputy head of sociology at the University of West Lancashire, said: "This phenomenon is nothing new.

"The fantasy of a young man being taught the ways of sex by an older, more experienced woman is as old as sex itself.

"What IS new is the fact that younger man can now go online and ask an older women to perform explicit sex acts for them.

"No wonder it's popular."

Today *Sunday Sport* talks to two experienced women, who are making a lot of money – and having a lot of fun – thanks to the webcam sex game.

JACKIE RENSHAW, 37, FROM CARLISLE

'...I had 120 horny young men watching me orgasm'

"BEING a webcam model wasn't really something that had crossed my mind until a couple of months ago.

"I didn't know much about it, but one day on my way home from dropping the kids off at their dad's house, I picked up a magazine and some chocolates from the shop.

"Halfway through the magazine, there was an article about women who'd turned to sex work and were making a fortune.

"Intrigued, I spent the night researching and after a glass or two of wine I stripped off and logged on to an online strip show.

"Within just a few minutes, I had 25 men ogling me and I felt totally flattered!

"And it didn't take much dirty talk for me to peel off my underwear and put on a real show for the crowd, which was growing by the minute.

Vibrator

"As soon as I whipped out my bullet vibrator and placed it on my clit for all to see, I came almost instantly.

"And the amount of messages I had, saying how hot I was, really added to my pleasure.

"When I checked the stats, the average age of the men logged on watching me was 24 and I had 120 horny fellas watching me orgasm.

"Now, I indulge myself – and my fans – every week for around 10 to 15 hours.

"My two-hour daily shifts are just long enough that I have a genuine orgasm every time I'm online – which is great for both the blokes who log on AND for me.

"I often get some strange requests – one man who told me he was 26 – loves it when I use fruit and veg on myself.

"Cucumbers aren't exactly my favourite salad vegetable, but they make a GREAT sex toy when I'm online with this younger bloke, and he can't get enough of it.

"He never climaxes when I use my other toys but as soon as the fruit or veg come out he jizzes all over the place.

"And I must admit, I'm really starting to see the appeal of it myself!

"Another young man loves it when I handcuff myself to the bed, lay down with my legs spread wide apart and talk really dirty to him.

"I'll tell him how I want him to stuff his hard, young cock in my slutty mouth and how much I want him deep in both my holes.

"Of course, he'll never get to shag me but it's the fantasy and the thought of it that is most important.

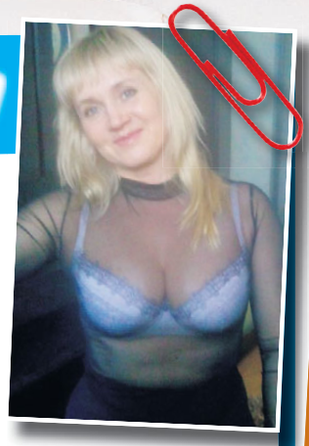
"I'm doing nothing wrong – its just mutual pleasure.

"I'm not having sex with anyone, it's just a great way of making a quick buck.

"I'm earning around £200 for a two-hour shift and loads of young men literally beg me to let them see my sopping wet fanny online, so I don't see any problem at all.

"There's plenty of things I could be doing to earn money but I can't see a better one than wanking myself off on the webcam for hundreds of my horny online toy boys."

my shows'



"When I lie spread-eagled on my bed and plunge my fingers into my wet hole, I don't think they've got any doubt about how much I love my job either.

"There's a sticky mess from all of us after one of my shows – especially if I've treated them to my favourite dildo!

"Riding my silicone cock on the bed gets me going like nothing else, and sometimes I'm in that much pleasure I often forget there's tons of fans watching me.

"But that's the best part of it all – pleasuring myself, satisfying younger men and earning an absolute packet from doing it.

"I'm not having sex with anyone, just giving men a few minutes of satisfaction.

"My duster is sitting in the back of the cupboard and it won't ever be coming back out – I'm much more happy earning money from doing the webcam and I don't even have to leave my house!"

10 things you didn't know about EASTER

WHAT with chocolate eggs, hot cross buns and Easter bunnies – for most of us it's a long weekend of bliss.

With drinking, eating and nights out, some of us might be copying Jesus himself and not rising until Monday.

Whatever you're doing this weekend, here are 10 things you might not have known about Easter…

1 **THE tallest chocolate Easter egg ever was made in Italy in 2011. At 34ft in height and over seven tons in weight, it was taller than a giraffe and heavier than an elephant!**

2 EASTER eggs are hollow not only so the manufacturer saves on cost, but also to stop children from breaking their teeth.

3 **RESIDENTS in a small town called Bessieres, in France, gather on Easter Monday to make a giant omelette. It's put together by 40 cooks using 15,000 fresh eggs and a 13ft pan. The tradition is said to come from when Napoleon and his army stopped in the town and ate omelettes.**

4 IN Czech Republic, men spank women with handmade willow whips on Easter Monday. The practice is thought to transfer fertility to the women.

5 **THE largest Easter egg hunt consisted of 501,000 eggs that were searched for by 9,753 children at the Cypress Gardens Adventure Park in Winter Haven, Florida, USA, on April 1, 2007.**

6 THE largest hot cross bun weighed 370lbs 6oz and was made by the RSPB in conjunction with Greenhalghs Bakery in Bolton, on April 5, 2012.

7 **IN Bulgaria people don't have egg hunts – they have egg fights! Whoever comes out of the fight with an unbroken egg is the winner and it's assumed they'll be the most successful of their family in the coming year.**

8 THE UK's first chocolate egg was produced in 1873 by Fry's of Bristol.

9 **INSTEAD of settling down to family-friendly films, Norwegians have a bizarre tradition called 'Easter Crime' where they read murder mystery books and watch crime shows on TV.**

10 THE world's largest chocolate rabbit was made last week. It weighed just under four tons and was made in Brazil.

Rob

RAUNCHY Robyn Alexandra says she LOVES wearing naughty stockings and suspenders.

But sexy hold-ups are her absolute favourite type of lingerie.

The 36-year-old said: "There is just something so very sexy and simple about them.

"And what's more, there's a lot less fussing about with them than with suspenders.

"If only blokes knew just how uncomfortable they were though!"

But here at the *Sport*, we don't reckon many people will be paying much attention to what Robyn, from Manchester, is wearing on her legs.

And that's because her 32Gs are the first thing that catch most eyes!

Robyn added: "Men do tend to talk to my chest quite a lot.

"But if you've got it, flaunt it. That's what I always say.

BARELY a day goes by without some charity wanting to dip their hands into your wallet.

Even walking down the street, you get accosted by "chuggers" wanting your bank details for some good cause.

No wonder there are plenty of folk suffering from so-called "compassion fatigue" and who will go to great lengths to avoid the rattling collection tin.

But this is one charity stunt you'd walk across hot coals to donate to…

Donation

Sexy students at West Lancashire University last week held an event where punters got a lick of their pert boobs for a £10 donation.

The sexy event raised more than £7,000 for St Jude's Orphanage, near the university's bustling campus.

Fundraiser Bella Grant, 20, said: "It was a great way to raise money for those poor tots, who have no mummy or daddy.

"My teats are a bit chapped now, though."

Shower perv blames stress

A DIRTY foreign student has blamed study stress for his decision to film female housemates as they showered

Nam Phan Trinh, 25, faces the threat of deportation after he pleaded guilty to breach of privacy.

Magistrates In Hobart, Tasmania, heard that Trinh – who is studying to become an accountant – filmed his female housemates in the shower on two occasions last September.

He placed a coin in the bathroom door jamb to prevent it from closing so he could film them in the shower.

He was handed three years' probation.

Hackers leak animal sex fans' details

THE private details of thousands of members of an ANIMAL SEX website have been leaked online.

The hack has seen people's data accessed and uploaded onto the internet – including email addresses.

It was flagged up by website *Motherload*, which has seen 3,200 people's private messages which are linked to the illegal sexual practice being hacked.

Troy Hunt, a security researcher from *Have I Been Pwned?* who flagged the hack to *Motherboard*, tweeted: "Animal bestiality site had 3.2k accounts compromised.

"Data included email and IP addresses, dates of birth and passwords stored as bcrypt hashes."

Following his tip, *Motherboard* downloaded the dataset from a public forum, and tested several of the email addresses to verify that they were in fact linked to active accounts on the site.

Mr Hunt added: "This serves as a reminder that anything you do online may one day be leaked publicly."

She says she first met Trump in LA during the filming of *Celebrity Apprentice* at the Playboy Mansion.

She said she was attracted to "interesting" and "brilliant" Trump.

MELANIA TRUMP, 47

BORN in Novo Mesto, Slovenia, Melania worked as a fashion model for agencies in Milan and Paris, later moving to New York City in 1996.

She worked for Trump Model Management and in 2001 she became a permanent resident of the United States.

She became Trump's third wife in 2005.

USSY!

PORN star Stormy Daniels has filed a court motion for US President Donald Trump to testify about her claim that they had a relationship.

By BRAD CHADWICK
news@sundaysport.co.uk

Her lawyer, Michael Avenatti, wants sworn testimony from Mr Trump about a "hush" agreement the actress says she signed.

It's the latest twist in a saga that's gripped the world and once again shined a light on the US President's sexual shenanigans.

Last year, Trump was accused of watching two prostitutes URINATE on each other in a so-called "golden shower" party.

And last week *Sunday Sport* reported how the boss Yank had visited a Las Vegas club famed for its near-the-knuckle floor show – which includes S&M, tinkle action and even simulated BESTIALITY!

Blonde cum-burper Stormy Daniels says she signed an agreement to keep quiet about her claims in exchange for £91,000 of "hush" money in October 2016, days before the White House election.

But Stormy Daniels is not the first woman who has apparently fallen for Trump's dubious charms.

Despite looking very much like a ginger person's ballbag, billionaire Trump has never gone short of top-flight "pussy" – the crude word the President uses to describe female genitalia.

Today we look at some of the women who have been in Trump's life…

STORMY Daniels alleges she had unprotected sex with Trump in 2006. He denies it.

Stormy, originally from Baton Rouge, Louisiana, has starred in movies including *The Witches of Breastwick*, *Pussy Sweat* and *Dripping Wet Sex 4*.

World record tosser avoids prison term

A MAN described as being a "world record masturbator" has avoided jail after touching himself near a 'particularly attractive' lady at a nude beach.

Gary Chisolm, 45, from Darwin in Australia's Northern Territory, pleaded guilty to two indecent exposure charges.

He was on bail for exposing himself to three people back in November, during a public masturbating session, when he touched himself in front of the sleeping sunbather.

The sunbather woke up to a "fast, wet, slippery kind of sound", the court heard.

He told her he was putting on sunblock.

Chisolm's lawyer said: "He says he's extremely good at masturbating. He can do it extremely quickly. He basically has almost the world record in masturbating."

Chisolm was handed a five-week, two-day sentence, which was suspended.

Docs save cock with drugs bag tied to it

A MAN almost lost his cock after tying a bag of drugs to his old chap – cutting off the circulation to his member.

Doctors found the drugs after Cedric Anderson *(above)* was admitted for injuries he got in a traffic accident.

They realised that the package – which had been in place for 'some time' – was restricting blood flow and tissue had already started to die off.

A source at Lawnwood Regional Medical Center in Fort Pierce, Florida, said: "In a couple of hours, the penis would have been lost.

"Strangely, it was lucky he was in that car smash."

Anderson, 28, of Fort Pierce, was later arrested on two counts of cocaine possession and single counts of possession of not more than 20 grams of marijuana and possession of a controlled substance without a prescription.

SEX MISS IS 'MONSTER' SAY PARENTS

By BARNEY SAMUELS news@sundaysport.co.uk

THE parents of a 13-year-old lad sucked off by a randy miss in a classroom have described the teacher as a "monster" who should be locked up for life.

Brittany Zamora, 27, was arrested last week on suspicion of sexually abusing the student at her school.

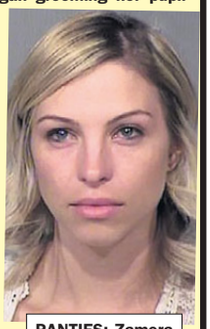
Now the boy's father, who asked to remain anonymous, has said: "You teach your kids there's no such thing as monsters at all.

"But in the real world, there are monsters. Brittany Zamora is a monster."

According to the stepmother, who also asked not to be named, Zamora began grooming her pupil using a classroom group chat.

She said: "It just progressed from there. He was taken advantage of and she was just using him for her own grotesque benefits."

Court documents state that Zamora had sex with her student on three occasions and performed oral sex in the classroom and in her car between February 1 and March 1.



PANTIES: Zamora sent lad sex pics

Romps

The father added: "A big thing for us is that we want people to understand, just because it's a boy makes no difference.

"It's the same. It's a 13-year-old child who got taken advantage of by a monster. I want her to spend the rest of her life in prison."

The boy's parents went to police after they saw her sexual texts.

During one exchange, which presumably followed one of the pair's alleged sex romps at Las Brisas Academy Elementary School in Goodyear, Arizona, the boy wrote that he wanted to have sex with her again.

Zamora replied: "I know baby! I want you every day with no time limit. If I could quit my job and (have sex with) you all day long, I would."

She also sent the lad pictures of her wearing crotchless panties.

Zamora is being held on charges of sex with a child and furnishing harmful material to a minor.

ROCKET SCIENCE: Kinky Bev fell for the dwarf who looked like snooker star Ronnie O'Sullivan *(above)*

By WENDY THOMAS
news@sundaysport.co.uk

A KINKY sex addict has told how she took it up the BUM from a sex-dwarf who was the spitting image of snooker ace Ronnie O'Sullivan.

The 38-year-old Sheffield native even took part in the romp behind the bins in an alley next to the Crucible Theatre, home of the World Snooker Championships.

Beverley Rowson says she hooked up with the naughty small person after she swiped on his image on a dating site.

Todger

Dark-haired Robbie Nuttall immediately messaged her back and the pair started to swap increasingly rude photos.

Robbie, 40, who bears a remarkable resemblance to the former World No1, said: "You know what it's like – you start off with a pout from the neck up, but within minutes you're live on Skype with your todger out.

we'd have to meet. The problem was, we both had partners at the time.

"It was her idea to do it by the bins at the Crucible. O'Sullivan is known as Rocket Ronnie, and Bev likes to call me her Pocket Ronnie.

"She turned up in quite a long, sensible coat, but once we moved into the shadows in the alleyway she unbuttoned it.

"Underneath, she was wearing a leather basque which gave me an instant stiffy. It was like she had turned on a switch.

"I quickly whipped out my old fella and took her against the wall of the theatre. Needless to say, I went for the pink and then knocked one into the brown for good measure.

"She was groaning so much I was a bit worried someone might hear."

The pair continued to meet up for elicit romps behind their partners' backs, but finally Robbie dumped his girlfriend of two years and Bev told her husband she was leaving him and their two kids.

Now they share a static caravan with a travelling friend who lives on an industrial estate in Dudley.

Bev said: "I'm sure he fancies me, but I wouldn't want to make my Pocket jealous.

"He's very protective of me. Besides, I want to keep his cue polished!"

Robbie said: "I have to thank Ronnie O'Sullivan. Looking like a sporting superstar has brought me the love of my life.

"And she gives cracking blowjobs, too."

Last weekend the real Ronnie won the prestigious Players Championship in Llandudno.

'Wanna feel my dick?' violent drunk asked cop

A DRUNK father-of-two threw a Star Wars flask at a hotel night porter before exposing his genitals to police.

Maid Hajric had been staying at the hotel on January 10 when he turned aggressive.

Magistrates heard that the 33-year-old had only recently been released from prison.

Prosecutor Denise Holland said Hajric picked up a card reader from the MJB Beeches Hotel's front desk and threw it at a window.

He then damaged a Star Wars-themed thermos after attempting to throw it at a porter.

Hajric was arrested and cuffed by police in Norwich, but somehow managed to pull down his trousers and expose himself to an officer.

"While holding his genitals, he said to one officer 'do you want to feel my dick," Mrs Holland added.

Hajric, of Epsom, Surrey, pleaded guilty to criminal damage, possession of a Class B drug and exposure.

He got a six-month community order.

Fatty in court over teen sex

A 20-STONE woman was nicked after picking up a 14-year-old lad for sex on a dating website.

Kelsey Morgan Dunsing (*above*) was charged with lewd and lascivious battery and accused of having sex with a teen in Jacksonville, Florida.

According to the Jacksonville Sheriff's Office, the two met through an online dating site three to four months before the investigation started.

During an investigation, cops found the two had sex multiple times at Dunsing's apartment.

Facebook message screen-shots also showed the two talking about if Dunsing should take a pregnancy test or not.

A police source said: "Hell, she ain't a lot to look at but when you're 14-years-old, you'd pretty much put your young, hard cock in the knot of a tree, ain't that the truth? Yes siree!"

Randy Miss asked teen: 'Wanna f**k?'

By BRAD CHADWICK

CHARGED: Roberts

A SUPPLY teacher whispered "do you wanna fk?" to a teen pupil at a boozy house party, a court heard.**

Randy Whitney Roberts, 25, came on to the 17-year-old lad while sitting on a sofa with him at the bash.

Police said Roberts had first "suggestively approached" the hunky student at a November 17 party, where they ended up kissing and exchanging Snapchat names.

Cock

The youth told cops a "slightly drunk" Roberts had whispered "wanna f**k me? Wanna put your cock in my wet pussy?"

Other partygoers told police they saw Roberts and the boy exchange contact information.

The pair did not have sex that night but police say Roberts picked the victim up from a friend's house the following morning and took him to her place.

A police affidavit reads: "He related the next day she picked him up and they went to her house and they had sex.

"He explained that he asked her if she had a condom and she did."

The boy said Roberts was "nervous about the whole thing" and that she told him to 'keep it low', meaning 'quiet'."

Police in Franklin Township, Pennsylvania charged Roberts with institutional sexual assault and corruption of a minor.

The charge reads: "The defendant engaged in sexual intercourse and deviate sexual intercourse with the victim while he was a student of the Towanda Area School District and the defendant was a substitute teacher at the time."

As Roberts was bailed, she said: "The offences charged against me that have recently been reported by the media are mere accusations.

"I look forward to defending myself in court."

ACCUSED school mass killer Nikolas Cruz has been receiving sacks of XXX fan mail and packages containing WORN PANTIES at the prison where he is being held.

Cruz (*above*), 19, who is charged with 17 counts of murder the massacre at the Marjory Stoneman Douglas High School in Parkland, Florida, has been sent suggestive photographs, greeting cards, encouragement and other kind notes.

In one letter, an 18-year-old woman from Texas wrote: "When I saw you on the television, something attracted me to you."

Another woman sent Cruz NINE red-hot photos, including one showing a foot-long dildo up her bottom.

Hubby shagged the bairns' Easter eggs... the dirty f**king get

BEAST ON THE FEAST: Declan after dirty deed with eggs

HAPPIER TIMES: Declan and Della

DEVOUT Della King wanted to teach her brood of five kids all about Christ's resurrection – and so bought the nippers a huge pile of Easter eggs for them to gorge on today.

But her plans ended up a spunk-stained wreck on Good Friday evening when she came home to find her boozed-up partner Declan O'Brien had SHAGGED the chocolate treats.

By BARNEY SAMUELS
news@sundaysport.co.uk

Della, 42, of Wallsend, Tyne and Wear, said: "I wanted to teach the bairns the real meaning of Easter because all they hear about in school is 'other religions' and shite like that.

"So I went to Pound Saver and got them two Easter eggs each, so they'd know all about Jesus and that.

"I hid them under the stairs, but I'd not reckoned on Declan, who'd been down the club on Good Friday.

"I gets home and realises something is wrong and when I goes into the living room and there's Declan face down on the sofa.

"All the eggs is all smashed up and there's spunk on them!

"I screams 'You dirty f**king get! You've shagged the Easter eggs.

"He wakes up and says, 'I never!'

"And I says, 'You did', and puts him out of the house, the dirty get!"

Last night Declan, 43, now living back with his mother, said: "I don't know what happened. I've never shagged an Easter egg before."

No entry for jihadists

POLICE have launched an investigation after "No Jihadists" road signs were put up around towns in south western France.

With tensions high following the terror attack that left four dead earlier this month, motorists in the area were shocked to see the signposts.

Fake road signs with the French word for Jihadists in capital letters and crossed out with a red line were put up next to other signs at the entrance to towns.

Seven such signs were erected at various entry points around the city of Toulouse.

A police source said cops had taken samples from the road signs.

The source said: "We're trying to find out who is behind the signs and what their motivations are, even though it may seem self-evident."

CARE HOME NURSES TOSSED OFF CODGERS FOR £7 A POP!

By BRAD CHADWICK
news@sundaysport.co.uk

WE GIVE A TOSS! The five nursing assistants found a handy way to boost their wages by offering 'personal services' to randy old residents

FIVE employees at an old people's home have been charged with wanking off codgers for seven quid a go.

The nursing assistants at the Prairie View Residential Care Facility in Fayette, Iowa, realised they could boost their wages by offering 'personal services' to randy old blokes.

And as the residents were all on meagre fixed incomes, they set their prices at just $10 (£7) for a vigorous hand-shandy.

A probe started when Fayette County sheriff's deputies investigated complaints from the families of two residents at Prairie View.

Relatives had become worried about regular payments made by their loved ones, which were traced to the nursing assistants.

Megan Penney, 26, and Paige Johanningmeier, 23, were initially arrested on exploitation charges in connection with the investigation.

The sheriff's office has since announced that Carolyn Wiedrich, 44, of Sumner, Shelby Sebring, 24, of Hawkeye, and Jamie Pagel, 32, of Sumner, have been arrested for sexual exploitation by a health worker.

All five have been sacked.

Wiedrich is accused of wanking off one patient on more than 30 occasions.

But not everyone is happy at the sheriff's probe.

One resident, who asked not to named for fear of reprisals, said: "Hell's teeth! What the hell harm were these girls doing?

"These gentlemen are running life's last lap and these girls brought a bit of joy to their lives.

"They deserve medals, not arrest."

DEANO ON SUNDAY

One result we SHOULD have ignored...

ON May 1, 1997, millions of Brits voted for the Labour Party and swept Tony Blair to power.

Labour had not had such a mandate to govern since Clement Attlee's victory in 1945.

Fresh-faced Blair and his band of sinister henchmen were hailed as conquering heroes, seeing off the Tories and leading Britain into the sunlit uplands.

It was, of course, all bollocks.

Blair's Labour took an economy that was surging and, bit by bit, flushed it down the toilet.

They saddled future generations with mountains of debt thanks to complex funding arrangements for their much-vaunted "schools 'n' hospitals" building schemes.

They trashed the British Constitution, packing the House of Lords with failed party hacks and evicting hereditary peers whose families had the ethos of public service in their blood.

They breathed life into corrosive Scottish Nationalism, opened the floodgates to vast numbers of immigrants – which, by their own admission – changed the face of Britain forever and nearly plunged us into the disaster of the euro.

Blair also made bare-faced LYING socially-acceptable.

He lied about a £1million donation to the Labour Party that exempted Formula One from a tobacco advertising ban.

His lackey Peter Mandelson lied about his mortgage application and giving passports to foreign billionaires.

Worse of all, Blair lied about the threat posed by Saddam Hussein and his non-existent "weapons of mass destruction".

We live with the consequences of that today.

After leaving office, Blair sold his dubious talents to any dictator with a big enough wallet.

And now, after all we know about the man, the BBC is treating Blair as a respected elder statesman.

Ignored

What's more, the Beeb are pushing Blair's line that the result of the EU referendum – the biggest exercise in democracy in British history – could be ignored or even REVERSED.

Radio 4's *Today* programme put Blair on air to say it was "more likely than a few months ago" that Brexit could be stopped, saying it was "not too late".

Well, if only it were "not too late" to ignore the result of the 1997 General Election then.

For a start, 179 Brit servicemen and women would not be cold in their graves.

Weapons inspector David Kelly would not have been murdered by the security services.

That bully John Prescott would not have got anywhere near the apparatus of power.

Peter Mandelson would not have been able to pour his poison into the British political system.

Blair's missus wouldn't have been able to grow rich exploiting absurd "human rights" laws introduced by her hubby's administration.

But we don't ignore election results in this country. And we don't ignore referendum results, either, Tony.

ME & MUM OUT ON THE COCK HUNT!

We're both divorced and having fun

OUT FOR A BIT: Janet and daughter Gwen

WHEN Gwen Foster divorced hubby of 20 years Alan, she made a decision to make up for lost time and go hunting for hot, throbbing COCK!

But with most of her close pals still happily married, the 44-year-old was missing a partner to go cruising the bars with.

Luckily, the solution to her lack of wing-woman was very close to home – her mum Janet, who's 65!

Gwen, of Kidderminster, Worcs, laughed: "For the last 10 years of our marriage, Alan and I hardly ever did it. Not even on Bank Holidays or birthdays.

"He was more interested in tidying up his potting shed and, to be honest, he had run to fat and I wasn't interested.

"But I'm a woman in her early forties and at my sexual peak. The moment we split, I thought 'I'm going to get lashings of sex. Probably try a bit of mild S&M, too. And anal.

"But I'd been out of the game for ages and didn't really feel confident going into a pick-up bar. I was talking about this to Mum – we have a very open and honest relationship. She was divorced herself 10 years back and suddenly piped up, 'Well, I'm up for a bit. Let's go and find some hard girth!'

By GRACE HOOPER
news@sundaysport.co.uk

"I'd never heard Mum talk like that. I think she's on some new HRT patches. I said 'Why not!' and we went out in Birmingham that weekend.

"The young lads were all over us. Mum was chuffed. She disappeared out of the bar with a big black lad and came back a few minutes later wiping her chops. I said, 'You didn't!' She replied, 'I did!'

Gristle

"We laughed like drains."

Since then, the unlikely spunk hunters have travelled Britain and even further afield in their relentless quest for man-gristle.

Janet said: "We went to a swinging convention in Florida in November and were flashing our boobs for everyone. A sheriff from Tallahassee did me up the bum and a young man from Georgia gave me my first pearl necklace.

"Oh, so much cock!"

Gwen said: "It's brought Mum and me so much closer together. We have a whale of a time. It's like being teenagers again. Mum's a miracle. What with her bladder problems."

JAIL GIRL SUCKED OFF CON IN PRISON REHAB

By BRAD CHADWICK
news@sundaysport.co.uk

A PRISON worker landed in the dock herself – for wanking off and shagging an inmate.

In court, a judge handed Andrea Morgan, 45, three years' probation.

Before being sentenced, Morgan said she had made a mistake and cited biblical verses before saying she would learn from her errors.

She told the court in Casper, Wyoming: "If I had known... what I know now, I would've made better choices. I will come out a stronger and better person."

Morgan had entered a guilty plea to a count of sexual assault as part of a plea deal with prosecutors.

Investigators with the Department of Corrections began looking into the allegations in April 2016.

MISTAKES: Andrea Morgan pleaded guilty

Fondled

Morgan had worked as a contract health services administrator at Casper Re-Entry Center – a privately owned corrections facility – until March 31, 2016.

Morgan had initially denied any naughtiness with the lag but later told investigators that she kissed, fondled and tossed off the inmate while he was at the centre.

She also said that they had sex the very evening he was released from the prison, such was her lust.

The inmate confirmed Morgan's admissions. He was still on probation when he was released.

Under Wyoming law, it is illegal for an employee of a correctional institution to have sex with any inmate, regardless of age or consent.

The Casper Re-Entry Center provides rehabilitation and substance abuse treatment to inmates before they are released from custody.

WEIRDO'S REASON FOR BUS SEX ACT

I was w*nking away my hard-on after being spiked with Viagra

SHIT EXCUSE 1

PULL THE OTHER ONE: Minchin was found guilty

FURIOUSLY masturbating on the bus is nothing new – it's long been the sport of tramps and drunkards.

But Michael Minchin's excuse certainly is a new one.

When nicked while coaxing bollock-bile from his erect member on the Perry Bar Circular service in Birmingham, Minchin, 38, thought he had the perfect ruse.

He explained that pranksters at the day centre he attends had spiked his Tizer with VIAGRA and he was merely masturbating away a raging erection.

Denying outraging public decency and speaking in his own defence, jobless Minchin said: "I did not want to cause a scene walking down the street with an erection clearly visible.

"I walk past a primary school, so the last thing I needed was a trouser tent while walking past. That could have caused problems, after what happened last time."

But JPs rejected his excuse after hearing Minchin was tugging while flicking through a copy of *Modern Cow Herder* magazine.

He was told: "You claim that you were masturbating out of expediency but that is not an explanation this court accepts."

He will be sentenced after magistrates have read reports.

Commentators have warned the availability of Viagra – now sold without prescription at Boots' chemists – could lead to an increase in public erection incidents.

The rubber duck SWAM up my arse...honest

SHIT EXCUSE 2

STAFF at a Manchester hospital thought they had seen it all...and then Martin Phelps turned up with a rubber duck up his arse!

What's more, the married welder says that the yellow plastic toy inserted ITSELF into his anus.

Now recovering at his home in Rochdale, 34-year-old Martin has decided to speak out to warn others about the danger lurking in the bathtub.

Guard

Supported by wife Linda, Martin said: "It was my own fault, in a way, because I decided to have a bath after I'd had a few ciders. Linda was at her mother's.

"I slipped under the suds and was totally off my guard because then the duck swam up my arse. Don't ask me how...but it did.

"I knew straight away that it wasn't coming out of its own accord, so I dialled 999.

"The paramedics were great and very professional. They hardly laughed at all. And the doctors managed to get it out. It left me with a very sore arse, though."

A hospital source said: "We've got a chart in the staff room where we keep a tally of the anal and vaginal foreign objects that we've treated.

"There are a fair few vegetables, the odd cigar, a few pieces of sports equipment and even drain rods.

"But this is an absolute first!"

MY FIRST TIME...

THEY always say that you remember your first time...

Well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries – and share the spicy details of some other first-times with us, too!

Here we meet two saucy stunnas from Rochdale...

JANE HAWORTH
AGE: 20
FROM: Rochdale
OCCUPATION: Trainee nurse
FAVE DRINK: Red wine
FAVE FOOD: Pizza
FAVE FILM: *Darkest Hour*
FAVE ACTOR: Gary Oldman
FAVE HOLIDAY: Thailand

EMMA ARNOLD
AGE: 21
FROM: Rochdale
OCCUPATION: Travel sales rep
FAVE DRINK: White wine
FAVE FOOD: Burger
FAVE FILM: *Blade Runner 2049*
FAVE ACTOR: Ryan Gosling
FAVE HOLIDAY: Ibiza

FIRST TIME

EMMA: I was a bit of a late bloomer when it came to men and sex. I had braces when I was in my late teens and didn't have much confidence.

So instead of meeting guys at college or down the pub, I used internet chat rooms instead.

I got really friendly with one guy on there – we'd talk for hours online and eventually he asked to meet up.

I thought he'd run a mile when we met, but we clicked straight away. So much so that when he walked me home I invited him in and we ended up doing it on my parent's sofa!

I just couldn't help myself. I was so turned on by him. Luckily he knew what he was doing and led the way.

The moment he entered me it felt amazing – I loved the feeling of having his hard cock inside me and it was like he'd unleashed a real sexual beast within me.

I wasn't even worried that my mum might come home and catch us. We went out for eight months after that and every time we saw each other we had rampant sex.

JANE: I started dating this trucker just before my 18th birthday. Naturally my parents weren't best pleased, but he was really sexy and very manly.

A week after my birthday he took me to the coast for a day trip. Even though he looked really tough and had all these tattoos, he was really sweet and romantic.

On the way back we pulled into a lay-by for a bit of a snogging session.

But we didn't just stop there!

The good thing about trucks is that there's plenty of room in the cab – and he had curtains across the side windows.

First he used his fingers to make me wet, and then I straddled him. It was a bit painful at first, but as soon as I relaxed it felt amazing.

The friction on my clit meant that I came really quickly. As well as my first shag, it was also my first ever orgasm.

I wasn't quite sure what had happened at first, but it didn't take me long to figure out. It's still my favourite position.

FIRST FINGER FUN

EMMA: The conversations I used to have online got raunchy at times, and I'd often sit and play with myself while chatting.

At first it started with me just rubbing myself on top of my trousers, and then I moved down to my knickers.

Eventually, after one really hot chat, I pushed my hands into my panties and started to play with myself.

It was a bit awkward sat next to the computer, so I told the guy I was talking to that I'd be back in five minutes and lay down on the bed.

It only took seconds for me to come. I felt naughty but really sexy at the same time. And when I resumed the chat the guy jokingly asked if I'd been getting up to no good! In the end I told him what I'd done and he wrote that he was doing exactly the same thing.

Well, I had to go and give myself another seeing-to, I was so turned on.

If you've not tried it, then you should definitelty give cyber sex a go!

JANE: I didn't start playing with myself until I got my own place. I just couldn't do it at my parents' house. There was always someone coming in and out of my room and the walls were really thin.

The first night in my own flat I had a bath, poured myself a nice glass of wine and settled down to read a book.

I didn't realise it had so many graphic sex scenes in it and I was getting turned on reading in. In the end, I closed my eyes and started fantasing that it was me being manhandled by the book's hunky neighbour! By that point I'd had a few sexual partners, so I knew pretty much what turned me on.

Although I soon realised that the best way to let a guy know what to do is to show him yourself.

Masturbating is really underrated as a sex act from a woman's point of view.

FIRST GROUP SEX

JANE: I ended up in an orgy at a friend's party a couple of years ago. It was meant to be just a quiet night in with a few drinks and Netflix.

But after a few bottles of wine and some shots one of the guys put a porno on his laptop. All the guys immediately sat down to watch it and a couple of girls joined them, while me and a few others went to get more drinks.

When we came back a few of them were getting off with each other! There were more lads so they asked us to sit with them and join in.

Everyone ended up feeling really horny and before I knew it I was snogging one guy while another groped my tits.

When he fished his willy out, I stopped snogging and went down on him.

By the end of the night, everyone had had a bit of action. I only shagged one bloke, but another guy went down on me.

I'm just glad I didn't really know many of them all that well, or I'd have been a bit embarrassed.

But it was incredible fun!

EMMA: Wow! I'm not sure I'd have the bottle to do that. Though after a few drinks, if the guys were really fit I might be interested.

Sadly the closest I've come to a threesome is doing it in front of my pet goldfish! The idea of having two guys at once, and being spit-roasted, really turns me on.

But the opportunity has never come up.

Once, on holiday, I was having sex with my boyfriend on the balcony when we heard a noise.

We turned round and saw this man watching us. We didn't carry on, but ever since then I've had this fantasy about being watched.

The idea of having two guys at once and being roasted really turns me on

FIRST BUM FUN

EMMA: Another big fantasy of mine was anal sex. Before giving it a go I'd watched a few adult films where the girl got taken up the back passage and she always seemed to enjoy it.

The next time my fella came round, I told him I wanted to experiment a bit and got my vibrator out.

He started using it on me the usual way, but then I made him pull it out and directed it to my bumhole.

It was a Rampant Rabbit, so it didn't fit without plenty of lube, but as soon as he got it all the way in I had an amazing orgasm. My boyfriend didn't want to miss out on the action, so I lubed up his cock and let him have a go.

After the vibrator, he slipped in easily.

I ended up having another orgasm and he found it so tight that he came within minutes – which was unusual for him as he could normally go for hours!

JANE: My bum fun tends to involve a bit of spanking before getting to the main event.

It all started when I was seeing this guy who was into fetish. I'm not a big fan of bondage, but he did get off on spanking me a bit and I quite liked it, too.

One day, he was giving me a pat when his hand rubbed against my bumhole and I got this amazing tingling sensation.

I asked him to finger it, and I much preferred it to the spanking. After doing that a few times we moved on to full anal sex. For some reason he didn't really like it, but it turned me on.

We didn't last long but luckily my next boyfriend loved a bit of brown lovin'!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Zoe Stollery loves Easter – because chocolate makes her horny!

ZOE, 27, gets tons of eggs from her friends, family and even fans but rather than worrying about the effect on her waistline, she just scoffs and shags!

The 32E Essex stunna said: "My friends always worry at Easter because they say all those Easter eggs will make them fat.

"But chocolate doesn't make me fat – just horny. I must burn off loads of calories with sex after eating chocolate.

"I should write a diet book – *The Chocolate and Sex Diet*. It'd sell millions!"

47 DONNA EWIN

By SIMON DEAN
simon@sundaysport.co.uk

NOW here's one cabbie we wouldn't mind giving a large tip – delicious Donna Ewin!

That's right folks – after retiring from modelling, gorgeous Donna successfully passed "The Knowledge" test and now drives a black cab around London.

BACK in the day Donna was one of Britain's favourite glamour girls.

Born in 1970, she had a huge career as a model and actress in the late 1980s and early 90s.

Known as "The Body" on account of her stunning 5ft 9ins frame and incredible all-natural 41D boobs, Donna was soon in great demand and established herself as one of the most popular girls on the circuit.

Orgy

She also appeared in many top magazines – including *Mayfair*, *Penthouse* and *Playboy* – and featured uncredited as "Masked Buxom Girl" in the famous orgy scene in Stanley Kubrick's 1999 film *Eyes Wide Shut*.

Donna, now 46, also appeared regularly in the BBC's *Fast Show* on both television and live stage shows, notably in the "Mr and Mrs Shag" sketch, and she also featured in 1991 computer game *Cover Girl Strip Poker*.

WHEN they come to write the history of busters, it's a fair bet that Danielle Riley will be found tPo have the best pair ever.

Dannielle, 24, from Wolverhampton, loves her 34F whoppers and revealed that they even got her off a speeding ticket once.

Unbuttoned

She said: "I was driving back from a mate's house, it was late and there wasn't anyone on the road so I was going a bit quick.

"This police car pulled me over. As the policeman stepped out of the car I quickly unbuttoned the top of my shirt so that my boobs were almost hanging out.

"The officer couldn't take his eyes off me. He kept losing his train of thought at the sight of them and in the end let me off!"

THE WORLD FAMOUS AGONY Page

Dear Sam,

I'M a 31-year-old bachelor girl who works in the music business and I'm always on the lookout for new talent.

I've found that one of the best places to find young hopefuls is at fast-food restaurants.

Last week I was tucking into a burger when I saw a young lady in a barely-there skirt and tiny top.

I asked her if she wanted to be a pop star – and to come to my nearby office for a chat some time so I could explain how the industry works.

She was very up front, and said she would if I licked out her fanny in the restaurant's toilets.

I was turned on and for the first time got myself some lesbo action.

It was fantastic.

Sadly, she never turned up for an interview but now I can't stop thinking about her and what a star she was.

Any advice?

EJ, north London

Sam says...
SHE sounds like a No.1 just waiting to happen!

Dear Sam,

I HAD a large Lottery win and moved to a nicer area of town recently.

My new neighbour, a blonde in her 40s, invited me and my wife to a winet asting party at hers the first week we moved in.

We got there and the house was full of fit women.

After a few glasses of wine some of the ladies stripped off and headed to the indoor swimming pool.

My naked neighbour led me to the hot-tub as I watched my wife walk into the snooker room with this woman's husband and another bloke.

I shagged her but came quickly because I wanted to see what my wife was doing. When I eased the snooker room door open and saw my naked wife on the table as the two blokes fed their huge cocks into her mouth, wet fanny and tight bumhole.

Is this what rich folk get up to behind closed doors?

TP, Liverpool

Sam says...
SOMETIMES – if you don't like it, see what the other neighbours are like.

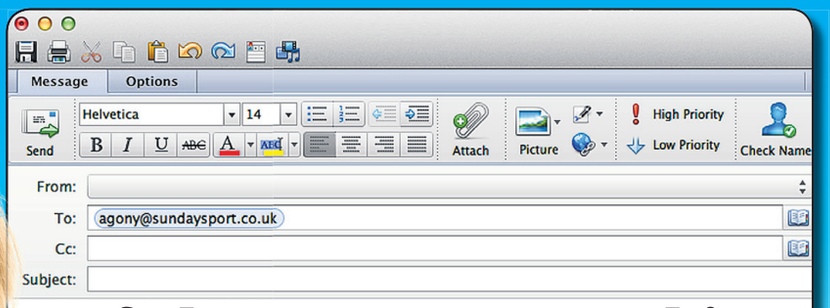
AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters and emails. Here's her advice...



If the caravan's rocking don't come a-knocking!

Dear Sam,

I LOVE caravanning so much that I get a rampant stiffy just sat at home thinking about it.

I'm a 40-year-old single fella and I've been at it since I was a teenager.

And it's always been the same old story – turn up, get the beers in and start chatting up the local slappers!

The first time I went caravanning I pulled two really dirty lasses in their late teens.

Muffs

I can still remember the sight of their hairy muffs as they both lay back on my pull-out bed waiting for me to sort them.

Two weeks ago, I was on the north Wales coast and as soon as I'd found a berth for my tourer and got myself sorted out, I spotted a couple of lovely young ladies in their early 20s hanging round.

I got them round to my caravan, to get out of the freezing cold weather, and after a couple of drinks to loosen us all up a bit we ended up playing a saucy game of strip-poker.

And before long the two girlies were both butt-naked.

The game didn't stop there though, as I dared them to snog each other – then start FINGERING each other's holes.

My Johnson was straining at the loose material of my jogging bottoms by this point, so I fished it out and got one of the babes to suck on it while I got my fingers to work on the other's glistening pussy.

And to top the evening off I had one of the little minxes sit on my face while the other rode my hard dick.

That's why I love caravanning.

Now I'm thinking of selling my house and living permanently on the road – I know winters can be pretty bleak in this country but you can always keep warm by shagging.

What do you think?

JW, Lincs

Sam says...

IF it gives you this much pleasure, go for it.

Dear Sam,

I'M 25 and have been with my girlfriend for nearly two years.

I love to cross dress but she won't let me do it – often telling me "it's gay" and that she would finish it if I wanted to keep doing it.

We don't live together and I still have my own house, and often on the way home from work I'll drop in and dress up in leather thigh-high heels and either a leather mini skirt and top or a leather dress.

I've tried to explain that it's more a humiliation/domination thing and how much I'd love for my girl to be involved.

But the furthest she has wanted to go is to put a vibrator up my bum, without me being dressed up.

I am not gay, all I have ever fantasised about is women – especially my girlfriend – making me dress up in the kinky gear then making me her bitch.

But she still won't have it.

Where do I go from here?

David, email

Sam says...

BIN her off and find yourself a new girl who's more open-minded.

That's a BIT better. But my minge is still intolerably warm...
Perhaps if I take off MORE clothes and part my flaps, the air will be able to get to it

OOH YES! YES! MY MINGE IS HOT! MY F***ING MINGE IS HOT! OOOOOOH! YEAH!
Mind if we let ourselves in, Marjory? MARJORY!?
UH? IT'S NOT WHAT IT LOOKS LIKE! HOT MINGE!

Sam says...

POOR Marjory! If only she'd remembered her back door was unlocked.

Bum's the word for sexy Alexis!

THESE are about the only pictures we're allowed to print of 29-year-old Alexis...

By WENDY THOMAS
news@sundaysport.co.uk

Because most snaps of the beauty show her with a dirty great cock up her BUMHOLE!

Because, like many women from eastern Europe, Hungary-born Alexis is a XXX porn star – and a filthy one to boot.

She said: "While you are sitting down to your Easter eggs today, I shall be shooting my new movie... *Anal Blonde Cum Frenzy*.

"As you can imagine, it features the anal sex and the cum. And it is quite frenzied as well.

"I have been doing my arse stretching exercises all week. I need to take two cocks up there

"That will make my eyes do the watering, no? HA HA!"

STORMY DANIELS

It cost Donald $130,000 (allegedly) but you can enjoy her for just £15!

PORN superstar Stormy Daniels finally broke her silence – and possibly a legal agreement – to spill the dirt on Donald Trump spilling his muck!

The writer, director and star of dozens of hardcore movies told of her night of passion with the President of the United States and, frankly, didn't seem that impressed.

At the time she was in her prime at 27 while he was 60 and probably couldn't believe his good luck!

It as bad enough that he was married with a son on the way at the time but when it looked like he was heading for the White House the lawyers got involved and Stormy got her $130,000 to keep her trap shut.

But that's all for Donald to sort out. What we really care about is Stormy.

Amazing

You'll have seen her looking demure as she was being interviewed but you want to see her in action, right? You want to see her with a c*** in each hand and another deep inside her?

Well, here's your chance!

Operation: Tropical Stormy is the woman born Stephanie Clifford in Louisiana at the top of her game in a big budget seaboard adventure. The f***ing scenes are just SEXsational and you'll watch them over and over again.

This 3DVD box set would normally cost you £25 in a licensed sex shop – the only place in the UK you can buy genuine hardcore porn – but if you take a copy of the Sport to any of the Private shops listed on this page you'll only have to pat £15! So, if you want to see Stormy taking some massive meat you know what to do!

RRP ~~£25~~ Bring this Sunday Sport & you pay £15

GOAL HUNT: Gunners hitman Pierre-Emerick Aubameyang needs to hit the target

GUNNER DO IT

Arsenal can win to nil at 29/20

ARSENAL have won their last 15 homes against Stoke in all competitions and it is hard to see past another win for the hosts today although the Potters did win the reverse fixture.

If Arsenal win this afternoon it will be the first time they have won back-to-back in the league since November and that stat highlights what an inconsistent season it has been for the club.

The Gunners have won their last 24 home league games against sides who began the day in the bottom three, however, and they should make it 25 despite the fact that Paul Lambert's side are fighting for their PL lives.

Arsenal are 1/3 to win with BetVictor and 29/20 to win to nil and the latter is the recommendation.

Spurs have scored first but failed to hold onto the lead in their last two visits to Stamford Bridge – but I think they can finally get that elusive win in what promises to be a cracking derby in today's late kick-off.

It is well documented that Chelsea are unbeaten in their last 27 home league games against Spurs and have never lost to their North London rivals at Stamford Bridge in the Premier League – until now.

Spurs are 85/40 at BetVictor to take the points with the Blues 7/5 and the draw at 12/5.

Antonio Rudiger is 13/5 to be shown a card during the game and the German is always a yellow card waiting to happen.

Premier League referees are loath to show cards, which I feel is a mistake with the World Cup in mind.

I thought it was significant that Italy were shown no yellow cards at Wembley midweek — although they tried unsuccessfully to kick Raheem Sterling — while Gareth Southgate's England side were given three.

Spurs are a better side than Chelsea and were desperately unlucky not to get at least a point in the reverse fixture at Wembley.

The Champions are without a win in their last four games against fellow "big six" sides and I think this will be the game that shows Spurs have taken over the mantle as the leading side in the capital.

In a game that could easily be a dress rehearsal for the FA Cup final in May I think it is time for Spurs to end their Stamford Bridge hoodoo and 85/40 looks a fair price.

★Fairyhouse starts its two-day Irish National meeting today and Invitation Only (4.30) came down at the top of the hill at Cheltenham last time when he was just starting to get into the race.

The RSA Chase winner Shattered Love is the 11/8 market leader receiving 7lb from her eight rivals but Invitation Only (4.30) gets the each way nod at 6/1 with BetVictor. Note all nine runners' are trained by Willie Mullins or Gordon Elliott and you wonder if their near current monopoly of Irish racing is good for the sport.

Laurina has to be pointed in the right direction to win the Mares Hurdle such was the authority of her Cheltenham success although you can put a line through the run of High School Days who was badly interfered with and pulled up.

Tomorrow is Irish National Day and Gigginstown own 11 of the 30 runners with Elliott saddling no less than 13 of the field.

If you knew Squouateur would get round error free I feel he would be something to bet on and at 14/1 with BetVictor (five places) he might be worth a saver.

The recommendation, however, is Mall Dini (5.00) who jumped and travelled well in the Kim Muir at the Festival last month.

HOWZAT: Broad is back in form

Stu puts out the rubbish after Ashes

CRICKET

STUART Broad says he has finally got over the "rubbish" he bowled for England in the Ashes series.

The Three Lions hitman has just gone past Curtly Ambrose on the all-time list of wicket-takers thanks to his successes in New Zealand.

He took four wickets on the opening day of the second Test — his best performance in two years.

Broad has been putting in extra work to get back to the form that has made him lethal for a decade.

He said: "I felt probably in the best rhythm I've felt for a couple of years.

"It didn't take a lot of effort to change my form — because I was rubbish in Australia.

"It was an awful period of time with my action — the lack of bounce I was getting because of my wrist position.

Control

"I didn't want to work with any coaches — I just wanted to get that feeling back as a cricketer, and I've got that."

Broad says he has gone back to basics and changed almost every aspect of his bowling.

He added: "My stride pattern, everything from my bowling today, I felt in full control.

"I could let the ball go with full effort, and it was bouncing through and had pace.

"It's quite an exciting place to be. I'm 31, not 35 or 36, and I still feel like I've got a lot to offer.

"I had to improve and over that short period of time, I think I have."

Broad was pleased with the way England attacked the Black Caps in the early part of their innings.

He said: "We'd talked as a bowling unit about bowling that slightly fuller length.

"We committed to that. Yes, we might leak a few more runs in that first 10 overs than we usually do, but to create those extra chances is the gameplan.

"We've had a couple of meetings in the gap between Auckland and Christchurch, and we're talking a lot more as a team.

"That's going to move us forward very quickly.

"We pretty much ticked all those boxes as a bowling group, which we're delighted with a fantastic effort."

Meanwhile, IPL side Sunrisers Hyderabad have signed Alex Hales to replace disgraced Aussie David Warner.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

APPLAUSE: Will Putin be clapping the video referee this summer?

RUSSIA WIN A STEP TOO VAR

A WORLD Cup starts in just over 10 weeks. I should be giddy with excitement and anticipation.

I should be salivating at the prospect of wall-to-wall football on the telly every day for weeks. Instead, I'm already gloomily preparing myself for the prospect of a disappointing, dross-filled cheat-fest with more German domination – and of course, mandatory early English exit.

I'm looking forward to watching the Australia matches though to see if they can manage to tamper with a football as well as a cricket one.

There were some crumbs of encouragement from England's friendly performances last week, but to be so close to a major tournament and still not know our best eleven again is totally inexcusable.

This time we have the added 'drama' of VAR – and if the early efforts of this are anything to go by, it threatens to turn the whole thing into a farce. I mean, come on, VAR in Russia?

It's a footballing conspiracy theorist's wet dream. You can just see it now: Last minute of the final, it's 0-0 between hosts Russia and favourites Germany who have had eight perfectly good goals chalked off for offside and their entire back four suddenly and mysteriously 'taken ill'.

A hopeful punt from the Russian full-back sails over the bar, rebounds off the roof of the stand and nestles on the roof of the net.

"Goal!" shouts Putin from the posh seats and demands a referral to VAR which, for the final it has been decided, is to be Russian Vice-President Alexander Rutskoy.

As he prepares to pour over the footage, the big screens in the stadium suddenly malfunction, and the Russian TV production crews are strangely unable to broadcast replays to the watching billions.

After what seems like an age, the verdict is delivered: It's a goal and Russia are football champions of the world. Roll on Qatar!

BACKHEEL: Denis Law

★ **April 27, 1974 was a very dark day for Manchester United. Some might say, Munich disaster aside, their darkest.**

It was the day that defeat to rivals Manchester City condemned them to relegation from the top flight with a goal from former United legend Denis Law.

Now, almost exactly 44 years on, that fateful day could well be surpassed when Jose's men visit City next Saturday where a win for Pep's side could clinch the Premier League title.

You might disagree that this is worse than being relegated by your arch rivals, but given the speedy shift in power across Manchester in the last five years and the added spice of the Pep/Jose rivalry.

If City are crowned champions next Saturday this will surely be their finest footballing hour — and United's worst.

Fact Hunt

Last week I asked: Which Premier League season was the first that all three promoted clubs avoid relegation? The answer is: 2001-2002.

MOBBED: Defoe

Defoe hits Hornets with last gasp goal

Watford	2
Bournemouth	2

JERMAIN Defoe rolled back the years to grab an injury-time equaliser for Bournemouth.

The 35-year-old came off the bench and showed his class when reacted quickly to a rebound close to the Watford net.

Kiko Femenia put the Hornets a goal up after 13 minutes. He got on the end of a Jose Holebas cross to volley past Asmir Begovic.

Bournemouth squared the game just before half-time from the penalty spot.

Holebas handled the ball to stop Jordon Ibe putting it into the net.

Joshua King made no mistake from the spot.

It took Watford just four minutes of the second half to get back in front.

Roberto Pereyra didn't get a lot of power behind his shot but it bobbled its way past Begovic.

Bournemouth have made a habit of late goals and boss Eddie Howe was delighted with the impact made by Defoe.

Best

He said: "I'm delighted with the point, it's a massive goal from Jermain and a massive point for us.

"He's not just an impact sub, he picked up a serious injury at a time when he was playing regularly, it takes time to get back to your best levels after that.

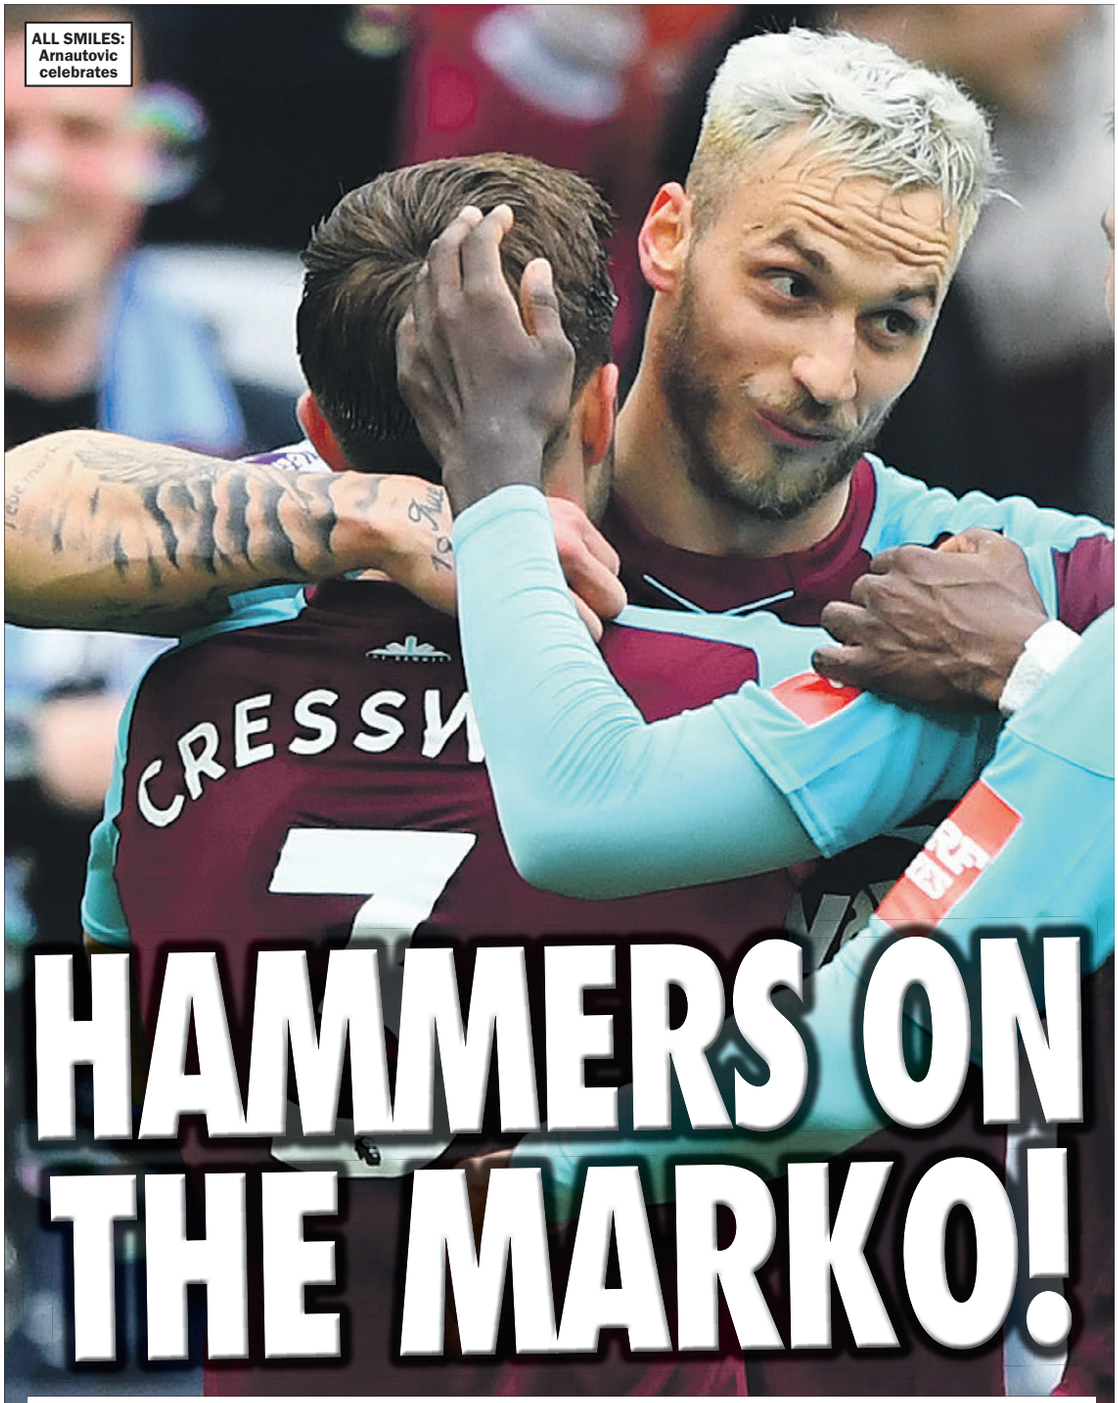
"He's a massive part of what we're doing, today he showed his value as there's no-one else you want that ball to fall to in the situation.

"We played well in the first half and we didn't in the second.

"It didn't look like it was going to happen for us but the character shone through — we needed one chance and it fell to the right man."

Despite having 37 points, Howe refuses to think Bournemouth are safe.

He said: "There's six games to go and we're desperate to get as many points as possible, no one knows what the marker will be to secure safety, but it doesn't matter."



ALL SMILES: Arnautovic celebrates

HAMMERS ON THE MARKO!

Arnautovic inspires huge win for Moyes boys

WEST HAM smashed in three first-half goals to go marching past the Saints.

West Ham United	3
Southampton	0

The game was all over by the break with two of the strikes coming right out of the top drawer.

It was a nightmare first-half for new Southampton boss Mark Hughes but just what Hammers gaffer David Moyes needed.

Joao Mario calmed any nerves in the relegation six-pointer with a brilliant goal on 13 minutes.

Cheikhou Kouyate picked up the ball from a Saints corner and flew up the pitch.

He fired in a pinpoint cross that Mario controlled on the edge of the box before smashing the ball into the top corner with a super finish.

They should have made it 2-0 but Marko Arnautovic missed a sitter on 16 minutes. But it didn't matter as the big Austrian was quickly hitting the back of the net.

He got on the end of a cross by Mario with his first effort blocked by Saints keeper Alex McCarthy. The Hammers hitman reacted quickly to turn the ball home.

He made sure Hughes — who sold him when at Stoke — saw his celebrations!

Arnautovic made the points safe in first-half injury time. It was another cracker as Arthur Masuaku curled in a perfect ball that the Austrian volleyed home.

Southampton had to improve after the break and they did — but Joe Hart was hardly busy in the home goal.

Charlie Austin had a shot before Mario put one over the crossbar at the other end.

Arnautovic curled one just past the post entering the final 25 minutes before the big man was subbed to a standing ovation from delighted home supporters.

There was time for a long-range dig from Dusan Tadic that dribbled past the West Ham goal.

That was enough for both sides as Moyes' men saw out the rest of the game for a crucial victory.

BAD START: Mark Hughes

GOALS: Barnes and Wood

Baggies crash and Burn to record

West Bromwich	1
Burnley	2

ASHLEY Barnes scored a rocket volley as Burnley sent West Brom to a record eighth Premier League defeat in a row.

The striker turned home Aaron Lennon's cross in fine style after 22 minutes.

The Clarets doubled their lead through Chris Wood before West Brom got a late consolation from Salomon Rondon.

The Lancastrians are now just two points behind sixth-placed Arsenal before their home game against Stoke today.

The Baggies are now 10 points adrift of safety after not getting going until the final 10 minutes of another poor display under Alan Pardew.

Burnley boss Sean Dyche was delighted with the performance of his players. He said: "I am really pleased, another big important win.

"We want to be as strong as we can. It is a strange place to come being how tough a time they're having, but thought we handled that well.

Puzzled

"We scored a really good opening goal. We had more possession than you would expect for an away side, we were effective with it, and opened it up with a fine goal."

Dyche has always been realistic and seemed a little puzzled when asked about Burnley making the top six this season.

He laughed: "I am not sure about that!

"There is progress being made, that's the marker. It's hard to make massive strides. Can we keep building? Can we keep moving forward? And we're doing that."

And he's worried about expecting too much — like making the Europa League which could make life difficult next season with a smallish squad.

Dyche said: "You have to be careful what we wish for, we're a work in progress.

"To be the real deal, got to keep working, but I am proud of my players' achievements."

PREMIER LEAGUE: MAN UTD 2 SWANSEA 0

ON TARGET: Lukaku got United going

SWANS RIGHT OUT OF LUK

Striker notches 100th goal in simple victory

ROMELU Lukaku scored his 100th Premier League goal on a comfortable afternoon for Manchester United.

By PAUL THOMAS

The points were pretty much wrapped up after just 20 minutes thanks to the Belgian and Alexis Sanchez who had his best display since signing from Arsenal.

United went into cruise control after that as the Swans struggled to make any impact on the home goal.

Any hope the visitors had of keeping a clean sheet at Old Trafford evaporated after just four minutes. United had already gone close once and Lukaku made no mistake after Sanchez and Jesse Lingard combined well to open the visitors' defence.

He fired in a low shot that hit the back of the net with a little help from Alfie Mawson's deflection.

Swansea saw very little of the ball before Sanchez double the lead on the 20-minute mark.

The Chile ace picked up the ball on the edge of the visitors' penalty area.

He had a couple of yards of space and made the most of it as he fired past Lukasz Fabianski. Lingard was again key to the goal as he continued to show the form that has made him a fixture in Gareth Southgate's England team.

On the half-hour, Lingard almost got on the scoresheet himself but he sliced his effort wide of the post.

Strugglers

And he had the ball in the net before the break but the goal was rightly ruled out for a clear offside.

Swansea were happy to get in for half-time just two goals down.

The strugglers had much more of a go in the second period. They created a couple of great chances for Tammy Abraham, with David De Gea showing why many pundits think he's the world's best keeper.

Despite being unemployed for most the game, he was lively enough to stop the England man twice in as many minutes.

Just before that, Paul Pogba teed up Juan Mata with a lovely pass that the Spaniard just failed to turn home.

Swansea were clearly pumped up by their attacks and forced a couple of half chances that needed some smart defending by Ashley Young in particular.

United played within themselves during the final quarter of the game.

Boss Jose Mourinho rung the changes with Ander Herrera coming in from the cold for what is a rare appearance these days from the bench.

Lukaku missed a good chance for another goal with 10 minutes left.

Good work by Pogba set up the chance for the big striker who took the ball on his chest before blasting the ball straight at Fabianski from close range.

United were content to play keep ball and run out the final minutes as they go back into second place past rivals Liverpool.

HAPPY: Perez and Kenedy

Perez puts Toon on brink of survival

Newcastle	1
Huddersfield	0

AYOZE Perez struck with 10 minutes left to make Newcastle all but safe.

His late goal means Huddersfield are fighting for their life just three points above the drop zone.

The Toon were on top for much of the game but it looked like developing into a frustrating afternoon.

Matt Ritchie and Dwight Gayle both missed big chances before Perez came to the rescue.

Newcastle are now 12th on 35 points with one more win needed to make absolutely sure of their Premier League future.

Benitez breathed a big sigh of relief when the goal went in.

He said: "It was an important game and we needed to win.

"They are a good team, well organised. We didn't take our chances and in the second half there was a risk we could be caught, but we stayed calm.

Stronger

"Ayoze Perez was doing a good job. He needed to stay calm in that position, move around the position and take his chance.

"It was a great atmosphere and the team and fans together are stronger.

"Forty points is the figure we are looking for and that's it."

Perez was pleased to play his part in a crucial success.

He beamed: "It's a massive victory. Three amazing points. The team fought until the end.

"When a team comes to your home to play in this way you have to be patient, keep moving the ball, and take the chances you have to score."

Huddersfield boss David Wagner knows his team have to find their best form — and fast.

He said: "It's a disappointing result for us but it's my job to analyse this in the right way. Our idea was to frustrate them and sit deeper to minimise their clearcut chances and hurt them on the counter attack.

"The attitude, fighting spirit and how they followed the game plan was fantastic.

"I think we were worth a point."

ALBION PAY BIG PENALTY

Brighton & Hove A	0
Leicester City	2

LEICESTER scored twice in the final seven minutes to make Brighton pay for missing a penalty.

Vincente Iborra put the visitors ahead before Jamie Vardy added another deep into injury time.

The Foxes even survived having Wilfrid Ndidi sent off for two yellows as they picked up three points at the Amex.

After a drab first-half the game came to life when the home side were awarded a penalty after the break.

Ndidi brought down Jose Izquierdo in the Leicester area, but in-form Glenn Murray fluffed the spot kick and it was an easy enough save for Kasper Schmeichel.

Within minutes Iborra was heading the visitors into the lead and Brighton could never recover.

Vardy capped the Foxes win with a neat finish from a Demarai Gray centre just after Ndidi got his marching orders for a foul on Shane Duffy.

Leicester are still in the Europa League picture while Brighton should be okay at the other end if they pick themselves up from this.

Brighton defender Duffy knows this was a poor result for Chris Hughton's men.

Moment

He said: "Obviously we are disappointed after having the chance to go ahead in the game but they caught us on the break and it killed us.

With the penalty, it's a defining moment in the game.

"Glenn has been great for us all season and you fancy him at that point but it wasn't to be.

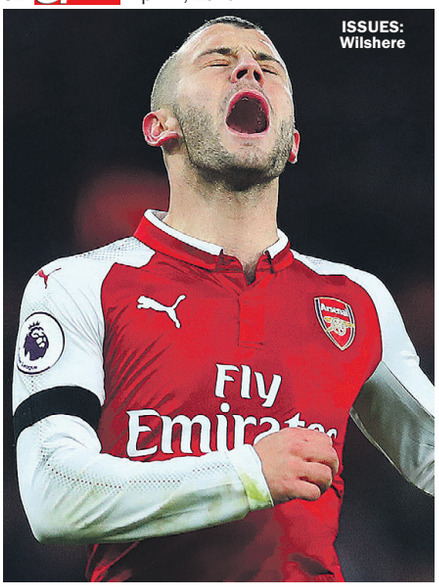
"We felt comfortable and that we were the ones going to win the game but they defended well and it's a setback for us.

"We have been here before and we know we can bounce back and get a run going.

"We've got a huge game against Huddersfield next week and hopefully we can get the place bouncing.

"We expect it to go down to the wire and the teams around us are all picking up points so it was disappointing to lose at home."

DELIGHT: Vardy



ISSUES: Wilshere

Crock Jack Wil NEVER be fit fears Bould

Arsenal v Stoke City

Sunday, 1.30pm kick-off, live on Sky Sports Main Event

JACK Wilshere will have to play the rest of his career with niggling injuries.

That's the view of Arsenal assistant boss Steve Bould who is backing the midfielder to spend more time on the pitch than off it from now on.

Wilshere was forced to miss both England friendlies with a minor problem but is expected to feature against the struggling Potters.

Bould said: "I think perhaps he will always have a little niggle here and there because of the way he is structured.

"That's his make-up now. He's a great player. A fit Jack Wilshere is a very good player. I think we are all hopeful longer-term he has overcome those issues."

Slowly

Bould says there's nothing wrong with Wilshere mentally. He believes he wants to get on the pitch as much as possible — but his body won't let him.

The No2 added: "I've known Jack since he was a real young kid.

"He's a great footballer — he loves the football club and we just need him fit more often than he has been in the past.

"I think it is coming slowly but surely. It is something he might have to manage all his career I guess.

"He has been training fully with us over the last month — two or three months even. It gets tempered a little bit occasionally.

FEARS: Steve Bould

"That's the nature of Jack I'm afraid. He can pick up an injury because his ankle will turn, he's got a sore knee."

Games are starting to run out for Stoke who haven't had the hoped-for boost from appointing Paul Lambert as boss.

The Scot is expecting another tough afternoon at the Emirates.

He said: "It's a really tough place to go. I've been fortunate I've won there, I know what it's like to win there, I know what it's like to lose there, I know what it's like to draw there.

"This is new, I'm new to the football club so what happened in the past is not an interest to me really.

"We'll make it a really hard game, we'll go and try and win, like I've always done, and it won't change. We have to find a way to hurt them."

SUPER MO'S LATE SHOW

MO Salah grabbed his 29th Premier League goal of the season as Liverpool came from behind to stun Crystal Palace.

By PAUL THOMAS

The Eagles had taken a first-half lead thanks to a Luka Milivojevic penalty.

Liverpool came out swinging straight after the break and quickly squared the game when Sadio Mane finished neatly.

It looked as though Palace had battled for a point until Salah struck with his late moment of magic.

He showed great composure inside the home box to slot the ball past keeper Wayne Hennessey.

There was controversy as Mane was lucky to be on the pitch to score his goal.

He was booked for diving inside the Palace box — even though there was contact from the defender.

The Senegal ace should have seen a second yellow when he picked up the ball after he thought he was fouled.

Ref Neil Swarbrick gave Palace the free-kick but didn't send off Mane for deliberate use of his hands.

It was another nightmare for former Liverpool striker Christian Benteke.

He missed two gilt-edged chances when the game was tied at 1-1.

It is easy to see why the Belgian has managed just two goals all season.

Sidelines

The lowest point for Liverpool came when Adam Lallana limped off minutes after coming on as a sub.

The England playmaker has been plagued by injury over the past year or so and could be set for another spell on the sidelines.

But boss Jurgen Klopp was happy with the effort shown by his team. The German said: "Maximum credit to my players. It's very difficult after the international break because we are all used to a specific training intensity and then the players go away to different countries.

"You saw it was difficult and really intense today with the atmosphere as it was, but in the end I think it was really well deserved.

"We got two wonderful goals after a tough start.

"I think the moment the ball passes the defender you see it is Mo and feel good. It was a very cool finish and long may that form continue.

"It is usual for us that we need to fight here, especially after a difficult start, but it

makes it more special at the end."

Klopp admitted to being surprised that Mane didn't get his marching orders given he had been booked.

But the Reds gaffer believes the first incident was a clear penalty.

Whistled

He said: "For me it's a penalty, it's clear. 0.1 seconds too late going down but it's a penalty.

"With contact how can that be a dive? I spoke to the referee at half-time.

"Around Sadio, there were a few strange situation today and he had to go through 80 minutes of being whistled. It was not a Sadio Mane day today. I thought he would be sent off for handling the ball. I did not understand it but happy he didn't."

Klopp admits that the injury to Lallana took the shine off a battling result.

He added: "It is not good, he is really down in the dressing room.

"He's our boy our best friend. It is really difficult, whatever injury it looks like a muscle one."

Palace boss Roy Hodgson couldn't hide his disappointment.

He said: "We actually played quite well in the second half and created some good chances but we also conceded two goals at the other end.

"What happens in the penalty area is the difference in the game. Whether it's a mistake by defenders or excellent play by strikers to create something.

Mistakes

"Of course we do regret those two Benteke chances and other opportunities we had when they were defending desperately, but they had already scored both of their goals.

"I can only hope we start scoring the goals soon and don't continue to suffer from the mistakes that cost us today."

RIVALS: Conte is a big admirer of Pochettino

Conte admits Spurs have left Chelsea behind

Chelsea v Tottenham Hotspur

Sunday, 4pm kick-off, live on Sky Sports Main Event

CHELSEA boss Antonio Conte has made the painful admission that Tottenham are stronger than his own team.

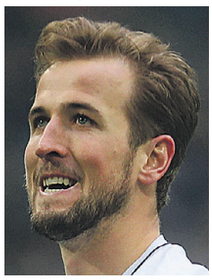
As Spurs look for their first win at Stamford Bridge since the days of Gary Lineker, the Blues are fighting for a place in the Champions League next season.

The north Londoners kick off the derby clash five points ahead of their rivals and knowing they can effectively destroy their European hopes with a victory.

And Conte has been forced to admit that Spurs have progressed their team past Chelsea.

He said: "I am talking about my period, my era. For sure, now, they are ahead of us."

The Italian is a great admirer of Spurs gaffer Mauricio Pochettino and believes he is the reason for so much progress at the club.



FITNESS FIGHT: Kane

Simple

Conte added: "I must be honest, I consider Mauricio Pochettino a really good manager. I think that, if Tottenham grew a lot in this period, he has a lot of credit for that.

"Don't forget that only one team can win the title and, in England, it's not simple.

"You start every competition with six teams, six top teams, who are ready to win something during the season. For example, last season, Chelsea won the title, Manchester United won the Carabao Cup, and Arsenal won the FA Cup.

"This season, probably Manchester City will win the title, but they dropped in the FA Cup. It's not simple."

Tottenham could have Harry Kane in their ranks despite initial reports saying he would be out for another few weeks.

The England hitman has been training and Pochettino will wait until the last minute before naming his team.

The manager said: "Harry's progress is very good.

"We are so happy because his progression is very positive. Now we need to assess him and then take a decision.

"We'll see what happens."

Chelsea have injury problems of their own with keeper Thibaut Courtois struggling with a hamstring strain he picked up on duty with Belgium.
